Sir,

With reference the correspondence ending with your telegram No. F. 223/46-E, dated the 2nd July 1947, in the above subject, I am directed to state that as the question of creation of the post for Mr. Dhotre is still under consideration of Government in the Finance Department orders placing his services at the disposal of the Legislative Department will be issued as soon as it is settled.

From - The Honourable Mr.K.V.K.Sundaram, I.C.S.,
Joint Secretary to the Government of India.

To - The Chief Secretary to the Govt. of Bombay,
Legal Department, Bombay.

New Delhi-3, the11th October, 1946.

Subject:- Deputation of officers for legal training in the Legislative Department during the summer season 1947 and Winter season 1947-48.

Sir,

I am directed to inquire whether the provincial Government desire to depute an officer for legal training in the Legislative Department during the summer season 1947 or the winter season 1947-48 on the conditions set forth in this Department letter No.1210-G, dated the 5th February 1923. I am to state that this Department will also be prepared to receive officers who are not members of the Indian Civil Service for training on the same terms as officers of that service.

2. I am to add that though the original object of deputing officers to this Department was that they should receive drafting training, for many years there has been in fact no attempt to confine their training to the drafting side alone. All such officers obtain a detailed insight into the manner in which work on the advisory side is handled and many of them acquire considerable practical experience in handling such work themselves. It rests with the officer himself whether he devotes the major portion of his time to the drafting or to the advisory side.

3. In the existing circumstances the officers who may be accepted for training will be received at New Delhi both during the summer and the winter sessions. I am to request that a reply to this letter may be sent in time to reach the Government of India not later than the 15th December, 1946.

2. The Government of India enquires whether the Provincial Govt. desires to depute an officer for legal training in the Legislative Department during the Summer Season 1947 or the Winter Season 1947-48 on conditions laid down in that Department's letter No. 1219-G, dated the 5th February 1923. That Department adds that officers who are not members of the I.C.S. will also be received for legal training on the same terms as officers of that service.

3. The Government of India further states that though the original object of deputation was that they should receive drafting training, for many years there has been in fact no attempt to confine their training to the drafting side alone. All such officers obtain detailed insight into the manner in which work on the advisory side is handled and many of them acquire considerable practical experience in handling such work themselves. It rests with the officer himself whether he devotes the major portion of his time to the drafting or to the advisory side.

4. The Government of India therefore wants the Provincial Government to indicate the season for which the Provincial Government desires to depute an officer, if any, for training. The Officer who may be accepted for training will be received at New Delhi both during the summer and the winter seasons.

5. For the Delhi Season 1945-46 Mr.M.C.Momani, I.C.S. was deputed for legal training. It is for orders whether any officer from L.D. should be recommended unless P.&G.D. can spare a member of the I.C.S. for the purpose. The Season for which the officer is to be deputed may also be decided. The Govt. of India request that reply to this letter may be sent not later than the 15th December 1946.

Sir,

With reference to your letter No.F.3(3)/46-B, dated the 11th October 1946, inquiring whether the Government of Bombay desires to depute officers for legal training in the

Legislative Department during the summer season 1947 and winter season 1947-48, I am directed to state that the Government of Bombay desires to depute Mr. M.A. Dhotre, M.A LL.B., Advocate, officiating Senior Superintendent in this

Department during the summer Season 1947 for the maximum period of 6 months. He has already had a good deal of drafting experience. He has got an aptitude for it, also a quick grasp, lucid mind and zeal to work. As this Government is very short of skilled personnel on the drafting side it would be greatly appreciated by this Government if the Government of India could arrange to accept Mr. Dhotre for training during the ensuing summer Season.

2. If the above proposal meets with the approval of the Government of India, I am to request that you will be so good as to communicate to me the date on which Mr. Dhotre should report himself at Delhi.

Sir,

With reference to your letter No.802, 1. dated the 24th January 1947, I am directed to say that the Government of India have on the usual rotational basis decided to receive two Officers from the Provinces of Madras and the Central Provinces and Berar for legal training during the next summer season and they therefore very much regret their inability to receive an Officer of the Government of Bombay for training during that season.

Please see Govt. of India reply dated 23-1-1947 at p. 13 to our letter dated 24-1-1947 at p. 11.

2. With the advent of the popular Ministry the work of this Department on the legislative side has increased to a considerable extent. As already stated in our letter dated 24-1-1947 this Govt. is very short of skilled personnel on the drafting side to cope with the heavy legislation work. The Legal Department is being reorganised by Govt. and the reorganisation will take place very shortly. At this critical time through which the Department is passing it will not be possible to postpone the training of Mr. Dhotre to winter session 1947-48 or any subsequent season according to the usual rotational basis. In the circumstances, the Govt. of India may be requested to allow Mr. Dhotre as a special case to receive training during the ensuing summer season 1947.

A.A.Z.B. Yes I entirely agree with the Alis

Our drafting strength is very poor, Mr. Charban is ailing and will be now in 6 month's leave and Mr. Dhuwhar has become unwell today and I have sent him home . But is compelled to retain

me and I am not sure where I may expect to be released even after the Reorganisation, with the Draftsman and his Dapishes is put into operation. Mr Dhotre is the best of our junior man and he must be equipped as soon as possible to become one of the draftsmen. The work must be carried on without a break. We should press Mr. Dhotre being taken up the ensuing season as a very special case.

If it was the turn of Madras I wonder why the Govt. of India wrote to us.

However it is no use pointing out the impropriety to a Govt; which fails to see the logic of unnecessary troubling those Provincial Covernment which are not on the rotation list for that year

Please see Government of India Legislative Department letters at pages 43 and 45 ante. The Government of India had agreed first to receive the nominee of the Bombay Government for legal training for the winter season 1947-48. But they now state that as one of the Provincial Government is unable to send its nominee for the summer season 1947 they are in a position to receive the Bombay Government's nominee for the remainder of the summer season instead of the winter season. They therefore, want to know whether Bombay Government is willing to take advantage of the offer and if so to instruct their nominee to report for duty in the Legislative Department as early as possible.

Perhaps the Government of India's offer may be accepted and they may be informed immediately that this Government is grateful for the offer and that its nominee Mr.M.A.Bhatre will be relieved so as to enable him to report for duty to the Government of India on or before the 12th instant.

Government has already approved of the deputation of Mr. Bhatre. It is now only necessary to create the post. Necessary proposal will be up to the Finance Department on issue of the letter to the Government of India.

Sir,

With reference to the correspondence ending with your letter No.F.223/46-E, dated the 20th April, 1947, I am directed to state that the Government of Bombay is thankful for the Government of India's offer to receive this Government's nominee for the remainder of the summer season 1947 instead of the winter season 1947-48 .

As, however, one of the senior officers of this Department is on leave it will not be possible to relieve Mr.M.A.Dhotre, officiating Personal Assistant to the Remembrancer of legal Affairs, upto the 14th June 1947. Mr. Dhotre has therefore been instructed to report for duty to the Legislative Department at New Delhi on Monday the 16th June 1947. If the remainder of this summer season is found insufficient it is presumed that Mr. Dhotre will be allowed to complete his training in the legislative Department by over staying for sometime during the winter season 1947-48.

2. The question of sending one officer for legal training was under consideration of this Department for a long time. According to long standing practice only a gazetted officer was sent for training. Government has this time decided to send Mr. U.A.Dhotre, a permanent member of the Legal Department and offg. P.A. to the Remembrancer of Legal Affairs, for local training to the Government of India, Legislative Department, New Delhi, and he has been asked to report for duty to that Department on 16th June 1947.

3. Mr. Dhotre is as stated above at present offg. as P.A. to the R.L.A. on Rs.400/- plus Rs.70/- cost of living allowance. He is likely to officiate as P.A. to R.L.A. In any case, he is not likely to revert below officiating Senior Supdt., B Br., the pay for which post is the same i.e. Rs400/-. The legal training will last for six months.

4. The Finance Department may be requested u.o. to create a post of an Addl. P.A.to R.L.A. in this Department on pay of Rs400/-p.m. with a cost of living allowance ofRs.70/- plus t.a. as on transfer. The extra cost will be Rs.2820/- plus t.a. The source for this will be pointed out later.

What is the authority for A ? is there any rule which says that a non gazetted officer shall not be sent for training?

Submitted.

2. There is no rule which says that non-gazetted person shall not be sent for training. This is an informal arrangement between the two Governments and the expenditure is borne by the Provincial Government. It may be pointed out that when Mr. Dhotre was selected for training by Government he was holding non-gazetted post of offg. Senior Superintendent (vide orders at p.8). His name as Offg. Senior Superintendent was therefore recommended to the Government of India in our letter dated 24th January 1947. pl. see p.11 ante

2. As Mr. Dhotre is at present offg. as P.A. to R.L.A. and is likely to act in that post in future, it was suggested that the post of Addl. P.A. may be created for the period of his training. The P.A's post is the lowest gazetted post in our Department (excluding Asstt. Solicitor's post which is a technical post). The pay for the post of P.A. as fixed for Mr. Dhotre when offg. as P.A. is Rs.400 as also his pay as D.R. offg. Senior Supdt. 'D' Dr. is the same i.e. Rs.400/-. If Secy, as desires the post may be designated as that of Special Officer for Legal Training.

Subject:- Special Allowance.

Sir,

I have been deputed for legal training in the Legislative Department of the Government of India for a period of about six months. I reported for duty to the Secretary of the Legislative Department on Monday the 10th June, 1947.

2. I find that the cost of living in New Delhi and Simla is very high. It is impossible to get private accommodation One is therefore forced to live in a Government Hostel or a Hotel. In Hostels and Hotels run by Government in New Delhi and Simla messing (which is compulsory) charges are uniform i.e. Rs.5-9 as per head per day. The room rent varies from Rs.2 to Rs.3-4As.(according to the room which may be available) plus bearer charges 8 As. per day. No concession is given even if the stay is for a month or more. The charges in private Hotels are generally higher and it is not easy to secure accommodation. The food supplied in some of the Hotels is of very inferior quality. Already due to change of climate it is difficult to keep in good health and it is essential to be very careful about the food and accommodation. In the absence of suitable accommodation and due to other difficulties the family cannot be brought here. Double establishments have therefore to be maintained.

3. The difficulties experienced by me were also experienced by the other two Attache, who are

under training with me. One of the two Attaches

from the Central Provinces has been given a special allowance by his Government. The other Attache from the Patiala State will also get such allowance from his State. It is understood that Attaches from other Provincial Governments were given special allowances by their Governments in the past

4. As my salary (Rs.400/-) is small I find it difficult to meet the expenses. Already I had to draw on my little savings. It will not be possible to pull on like this for the whole period of my training.

5. I may point out that local allowance and house rent are given to the staff going to Poona with Government. The scale of allowances for Mahableswar was higher. In the circumstances stated above, I request that a special allowance of Rs.200/-per month may be granted to me for the period of my training. Although the amount of the allowance may appear large compared with my salary, I have taken at most care in stating the minimum amount, after taking into consideration the extraordinary circumstances prevailing at present. I, therefore, pray that the allowance of Rs.200/- may kindly be sanctioned as soon as possible.

2. Mr. Dhotre for the reasons given in his letter at pages 1 to 3 ante stated that it is not possible to pull on with his present income of Rs.400 as he is required to keep two establishment and also due to abnormal conditions prevailing in New Delhi and Simla. He therefore requests that ~~requests that~~ a special allowance of Rs.200 p.m. may be given to him during the period of his training. Mr. Dhotre states in his letter that such allowances to attaches were sanctioned by other local Govts. in the past and that the Central Province Government has already sanctioned such allowance to their attache who is at present in Simla and that the attache from Patiala is also likely to get it.

para.3 of his letter at p.1-3 ante

3. The reasons given by Mr. Dhotre are genuine and his request is strongly supported by the Secy. Legislative Department. Perhaps his case may be dealt with on an analogy of a person going to Poona with Govt. If a person drawing Rs.400 p.m. like Mr.Dhotre had gone to Poona with Govt.he would have drawn Rs.145 p.m. as local allowance plus house rent of Rs.250 for the whole season. The house rent works out to approximately Rs.60 p.m. That means a person drawing Rs.400 p.m. going to Poona with Govt. draws roughly 105 p.m.extra.

Delhi and Simla are still costlier places than compared with Poona. Mr. Dhotre's request for an allowance of Rs.200 p.m. therefore appears to be reasonable and may be recommended to the F.D. for approval.

D.D.P.

A.A.L.R.

Mr. Dhotre's is a hard and difficult case. Before going to the Govt. of India for training Mr.Dhotre was holding a Gazetted, P.A.'s post. But on the very day that he left, he had to hand over charge and revert to his non-gazetted senior cadre's post. This is the first time that we have succeeded in persuading the Govt. of India to take a non-gazetted officer of the Provincial Govt. for training in the legislative Deptt. It is quite true that Mr.Dhotre has the unique distinction of being the first non-gazetted officer receiving direct training in legislation from the Govt. of India in the legislative Deptt. But the facts mentioned by him in his representation clearly make out the difficult position in which he finds himself in making both ends meet. Not only can he not take his family with him there, and he has to maintain two establishments - one for the family in Bombay and one for himself;but the minimum expenses of decent accommodation and board for him alone at Delhi and Simla, take away practically more than half of his salary. The advantages that Mr.Dhotre will derive personally from the training that he will receive, will not only be useful to him, but I submit more useful to Govt. All the higher officers so far trained by this Deptt. in the legislative Deptt. of Govt of India have left the department to better their prospects. Even the present Dy.Secy has been persuaded with great difficulty to come back to the Department and take over drafting of legislation. Mr.Dhotre after he returns duly trained will be a great asset to the drafting section and because he will have no other line to fall back upon he will perforce continue in the Deptt. and have to give the benefit of his training to theDeptt. I therefore submit with all emphasis at my command that he should not be made to suffer by reason of the fact that he has been sent for training. It will

be noticed that Mr. Lal the Secy to the Govt. of India in the legislative Deptt. has not only forwarded Mr. Dhotre's representation but strongly recommended it. I entirely agree with him and stronglyrecommend that we honour Mr. Lal's strong recommendation that Mr.Dhotre should be granted a special allowance of Rs.200 per month for the period of his deputation.

According to B.C.S.R. 650 daily allce. should not be given for more than ten days unless the place of halt is recognised as an expensive one. Further in such cases the halting allce. should not exceed what the Govt. servant would have ordinarily drawn by way of compensatory or house-rent allce. It is clear from the rates of daily allce. prescribed in G. of I.M.F. 5(76)-R. I/43 dated 29th March 1944 that Bombay is considered as a locality more expensive than Delhi. If a Govt. servant drawing Rs.400/- in the mofussil were deputed to Bombay, he would get only Rs.40 as compensatory allce. Please also see the amendment to S.R. 73 inserted by corrn. slip No.850. If Mr. D.'s halting allce. is regulated according to this rule read with B.C.S.R. 422, he will get daily allce. of Rs.495 for 90 days. No Daily allce. is to be given for more than 90 days. The average halting allce. per month comes to about Rs.83. The L.D. has, however, recommended halting allce. at the rate of Rs.200 p.m. It is clear from what is stated above that the proposed rate is much more than what is ordinarily admissible under the rules of this Govt. and under those of the G. of I., as well.

2. However, a portion is invited to the case of one Mr. Marnik, who was deputed to Delhi for training in preservation of records for 6 months. He was a third grade Govt. servant and was given a halting allce. of Rs.5(

p.m. in view of the high cost of living at New Delhi Please see the o.m. dated 9-11-46. If Mr.D. is given full daily allce. at the full rate (as calculated under R.C.S.R. ~~xxx~~ 122 - this is Rs. 8 and exceeds the maximum admissible to a Govt. servant of the G. of I. stationed at Delhi by Re.1) for first 10 days and at half the rate for the remaining period, he will get in all Rs. 855 i.e. about Rs. 142-8-0 p.m. F.D. may, therefore, advise that Mr.B. be given a halting allce. of Rs.145p.m.

Mr. H.A.Bhotra states that his family wish to go to New Delhi from Bombay during his stay in New Delhi and requests to be informed whether he is entitled to claim t.a. for them for journey from Bombay to Delhi and vice versa.

Mr. Bhotra went on deputation to the Govt. of India, Ministry of Law for legal training for a period of six months. He has been granted halting allowance while at New Delhi. In this connection attention is invited to F.D. o.n. dated 28.9.1945 and the F.A(s note dated 29.9 1945. In view of this it seems that Mr.Bhotra is not eligible to t.a. as on transfer when he has been granted halting allowance of Rs. 140 p.m. However F.D. may see u.o.

As Mr. Dhotre has been deputed to Delhi for a course of training his case is governed by B.C.S.R.556. It seems Mr. Dhotre has been given t.a. as on tour for his journey from Bombay to Delhi. He has also been given a halting allce. of Rs. 145 per month during the course of the training. The L.D. has referred these papers to F.D. for advice whether Mr. D's family can now be given t.a. from Bombay to Delhi and back. The following remarks are offered.

Under B.C.S.R.556 t.a. as on tour is generally sanctioned, but this does not preclude the possibility of sanctioning t.a. as on transfer T.A. as on transfer was sanctioned to Mr. Mohani when he was sent to Delhi for the same course vide this o.m. dated 29-9-40 in F.D. file No. S.S.D.I.Deptt/45. It was however held that Mr. Mohani should be considered as temporarily transferred to Delhi, and halting allce. was not therefore sanctioned to him during the course of the training as Delhi was held to be his temporary headquarter

In 1929 Mr. Hall the then Dy. Sec., noted follows on F.D. file No. 6332/2, "It seems to me that the words the scale if any on which in S.R. 295 or B.C.S.R.556 are sufficiently comprehensive to include the scale of t.a. admissible on transfer. This would show that that rule does not preclude the grant of t.a. on transfer in addition to halting allce.

Under B.C.S.R.556 daily allce. for more than ten days in the form of a monthly halting allce. is sanctioned in case of line staff only when the place of training is known to be a specially

expensive locality and is restricted to the Compensating Allowance or H.R.A. that the Govt. servant would have got had he been stationed there. The rate of house rent or comp. allce. that Mr. D. would have got had he been permanently stationed there, is not known, but it would surely not have been Rs.145 p.m. in the case of a man drawing Rs.400 p.m. Mr.D. had been given a halting allowance of Rs.145/-per month on the ground among other that he has to maintain two establishments. In view of this concession already given to him F.D. may not recommend the grant of transfer t.a. to Mr.D. although it can be admitted under R.F.S.R., 556. Mr.D. cannot have it both ways. If he intends to take his family to Delhi he would not plead the ground of "maintaining two ~~the~~ establishments" In the result F.D. may take the view that a case for t.a. on transfer has not been ~~came~~ made out.
